Chapter 1 by Aaron Hartmann

Howdy, my name is Christopher Dallas. I am an archaeologist and I live in Texas. My whole life changed one day when I was driving home one evening.

I swerved off the road and crashed into the ditch. I had no serious injuries. But there was one thing I noticed in the ditch outside of my window. I got out and went to investigate. It was a bottle in the mud. I must have uncovered it when I crashed.

I opened it up and inside was a piece of paper, it looked like a map.
